When you're REALLY READY to drop those extra pounds, regardless of how many you have, this is the place to go!!
This product is personalized for you, and addresses the physical, mental, emotional and energetic issues of your weight.

Here's what you'll receive when you enroll in our monthly weight loss program:

Via Phone: (MONTHLY)

- **One 15-minute private session** with Dr. Samantha St. Julian to determine your personalized digital frequencies to be encoded in your hCG Oral Remedy. These frequencies will address your weight issues from the Physical, Emotional, Spiritual, Mental, Psychological and Psychic levels.
- We will use either the Zyto hand cradle or applied kinesiology (see FAQ's for full explanation), and draw from over 80,000 frequencies including Flower Essences, Water Frequencies (including Lourdes from France), Laser Light Frequencies, as well as support for Finances, Depression and Sleep Issues, just to name a few.

Via Mail: (MONTHLY)

- **PERSONALIZED bottles** (one-month supply plus) of your exclusive oral remedy based on your private session (see above). This remedy is encoded via photon resonance and Zyto Software with the **digital signature of pharmaceutical-grade homeopathic hCG** AND other frequencies your system tests will be most helpful to your Body-Mind-Spirit Triangle for weight loss. You will receive a printout of these frequencies with your bottles.
- **A powerful, standardized, encoded oral remedy is available throughout the Re-Entry Phase 3 (Maintenance) to support you through this 3-week and 72-hour transition period. This remedy is available only from Synergia Healing Arts, Inc.**
- **One-month supply of Resonant Frequency Technology Aura Therapy Patch System for Weight Management** – each patch carries a complete software program embedded in the substrate material that delivers natural energetic frequencies to the body to support weight loss. The Weight Management patch is a comprehensive and complex program designed to add supportive energy to almost every function of the body. It contains five different fat burners and detoxifiers for the organs. It also increases lymphatic function to remove the fat, reduces appetite & bloating, and

encourages physical activity. The Aura Patch is replaced every 4th morning. **This patch is also continued throughout the Re-Entry Phase (Maintenance) to support you through the transition.**

(I **LOVE** the Aura Patches, and carry a full line of them on www.synergia.bz. Check them out for sleep, memory, immune system, stamina & energy, eyes, etc! For my personal weight loss protocol, I combined the ***Ideal Beauty*** patch with the ***Weight Management*** patch to help retain better moisture levels in my skin, reduce wrinkles, and increase the tinsel strength and tightness of my skin. I also added the Energy & Stamina Aura Patch from time-to-time and loved the extra energy and focus I had! Dr. Samantha St. Julian)
